

Pillow Comparison Guide

STANDARD

Fiber filled pillows offer a synthetic substitute for traditional down pillows.

DOWN BLEND

Down Blend filled pillows provide the ultimate in comfort with a 25/75 combination of ultrasoft feathers blended with polyester fiber encased in down proof tickin

OPTIMA

Optima (Down-Alternative) filled pillows are created using engineered microfibers which provide generous height, down-like warmth, and a luxurious softness.

Standard

Down Blend

Optima

*Treated fabrics, such as Cryptons, or vinyls/polys, will have a firmer look.
